FAITH GOES TO THE CROSS

Scripture: Hebrews 11: 28

The Passover marked God's deliverance of his people from Egyptian bondage. Exodus 12: 1-15 are the instructions that God gave to his people for the Passover. Moses is marked as a hero because he kept this Passover.

The title Passover is related to an Egyptian word meaning "to spread wings over to protect." Every home that had the blood of the lamb spread over it was protected from judgment. This was a night of judgment and redemption.

Elements of the Passover:

A Lamb without blemish that was roasted with fire. Jesus is referred to thirty times in the New Testament as the Lamb of God. Fire was a symbol of judgment.

Blood of the Lamb: placed on the lintel the top horizontal part of the door frame and each side post making the sign of a cross. Romans 5:9

"Unleavened bread" leaven was used daily in ancient Israel. It means bitterness or sour which is what sin does to life. Leaven puffs up dough by giving it more volume not weight. The core of sin is pride which does the same.

The Passover spoke of Deliverance:

Egypt to a New Land
Bondage to Freedom
Pharaoh to God
Enslaved people to a Delivered people

God protected his people by the Passover.

The people recognized they needed deliverance. They had to be ready to move quickly with God.

The Lord's Supper speaks of our deliverance from sin and the judgment of God. God has delivered us from sin by the blood of Jesus. We "leave Egypt" to move with God.
