

2022 THEME VERSE

**And My God Shall Supply Every Need of Yours
According to His Riches in Glory in Christ Jesus.
Philippians 4:19**

MERCY! MERCY!

Scripture: Matthew 5:1-7

Background: The Beatitudes are given by Jesus for us to examine how genuine our faith is. They enable us to evaluate the health of our spiritual life. The first four focus on our relationship with the Lord. The second four focus on our relationship with each other. The second four are the fruit of living the first four.

What mercy is not:

It is not feeling sorry for people.

It is not enabling people to continue in defeating patterns of thinking and behavior.

Mercy is: Compassion in action!
Jude 22,23

Mercy is meeting people in need and patiently helping them to live the purpose God has for their lives.

God's mercy:

Mercy involves forgiveness. It is impossible to give mercy and hold grudges. Mercy delivers from anger. Mercy leads to peace-wholeness.

“How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and strong. Because someday in our life you will have been all of these.” George Washington Carver

Mercy received: The parable of the Good Samaritan Luke 10: 30-37

Mercy rejected: Luke 23: 32-37

Give mercy anyway. You are acting like Jesus!
